Mrs. Sarah Haisley,

I just wanted to send you a note of thanks for making the efforts in trying to protect, celebrate, honor, and educate our State's youth. Our future rests in the hands of our youth, and we need to pull together to celebrate, as well as give the youth of our state the best possible future we can. I will be bringing this up at our next council meeting to try to bring more awareness to this effort.

Thanks again,

Sincerely,
